Harvest Weekend for Women

Imagine a special fall weekend in northern Michigan... hiking under a canopy of autumn leaves, spending an afternoon in quiet prayer and study, watching the sunset over Lake Michigan, enjoying fabulous meals without having to worry about planning or clean-up, singing songs around a bonfire in the company of wonderful women...You can experience all of this and more by joining us for the Annual Harvest Weekend for Women.

Adult women who attend Christian Science churches are all invited. Call your sister, invite your mother, grandmother, or daughter, bring a best friend, or come by yourself and make new friends. Participants arrive on Friday afternoon and stay through breakfast on the following Monday.

The weekend is limited to 60 participants, so please register as soon as possible! Call (231) 334-3808 for more details.
