Christian Science Military Weekend

Imagine a special Labor Day weekend in northern Michigan... hiking the sand dunes of Sleeping Bear National Lakeshore, relaxing on a private, sandy beach, watching the sunset over Lake Michigan, canoeing the Crystal River, climbing the ropes course, enjoying fabulous meals, and singing songs around a campfire in the company of fellow servicemen and women. You can experience this and more by joining us for the Camps Leelanau & Kohahna Christian Science Military Weekend over Labor Day weekend.

Current active duty, reserve and retired military men and women who practice Christian Science, and Christian Scientists whose spouses are in the military, are all invited. Bring your spouse and family, or come by yourself and make new friends. Participants arrive Friday afternoon and stay through breakfast on Monday.

The weekend is limited to 60 participants, so please register as soon as possible! Call (231) 334-3808 for more details.
